10/28/2011	2052	<p>MINUTE ORDER re: 1771 and 1735 AMENDING GB EXPERT REPORT DEADLINES. This matter is before the Court on the PSCs request for an extension until Monday October 31, to serve their generic expert reports for the Gallbladder bellwether cases and until Friday November 4, 2011 to serve their case specific expert reports for the Gallbladder bellwether cases. Bayer is not opposed to the request with a corresponding extension for Bayers expert report deadline. The Court GRANTS the requested extension. Accordingly, Gallbladder expert report deadlines will be extended as follows: Plaintiffs generic Gallbladder expert reports will be due Monday October 31, 2011, instead of today October 28, 2011 and plaintiffs case specific Gallbladder expert reports will be due Friday November 4, 2011, instead of Wednesday November 2, 2011. Bayer's generic Gallbladder expert reports will be due November 21, 2011, instead of November 18, 2011 and Bayers case specific Gallbladder expert reports will be due November 30, 2011. No other dates in the pre-trial schedule are expected to change due to listed extensions.. Signed by Chief Judge David R. Herndon on 10/28/2011. (dsw) (Entered: 10/28/2011)</p>
